

# CALIFORNIA TELEHEALTH NETWORK

CHANGING HEALTHCARE, CHANGING LIVES

2001 P Street, Suite 100 | Sacramento, CA 95811 | [www.caltelehealth.org](http://www.caltelehealth.org)

On Monday, November 4, 2013, the California Telehealth Network in partnership with the California Cable & Telecommunications Association conducted a telehealth demonstration for Governor Brown. The goal of the meeting was to demonstrate the role of broadband enabled care through telehealth and its impact on increasing access to healthcare.
